This application form is for any adult woman interested in serving as a national officer on the national executive committee of AB Women's Ministries or the national leadership team for AB GIRLS. Teen girls interested in serving on the national leadership team for AB GIRLS should fill out the NLT application form available on our website in the [National Leadership Team section](#).

For more information about expectations and roles of the executive committee, see below.

Here you will find brief descriptions of the positions on the national executive committee and national leadership teams. Due to staggered terms, different positions come open each year. Rather than applying to a particular position, your completed application form will give the nominating committee information about your particular gifts and interests in ministry. They will then prayerfully discern which applicants best match the available positions in any given year. Your application form is kept on file for five years, unless you direct otherwise, to be considered for each new set of positions that come open.
